Hello Fellow Members,

It is good to be back on the bridge and I hope to help the Squadron move forward with the ideas that are provided by all members. We have passed the Winter Solstice and each day will be longer than the previous. Soon it will be time to think of how much to budget for West Marine this summer! In the meantime we have the boat show coming up and monthly meetings for us to all congregate at. Hopefully the snow continues to fall in the north so we have some water in our canals, otherwise we will be looking for a 14 footer and an outboard!

Stay safe and I will see everyone at the next meeting.

Andy

The 2013 Safe Boating Classes will be held March 6th through April 3rd. We will have a second class held May 1-29. The classes are held on Wednesdays, 5 weeks, 7-9 p.m. at St. Clair Shores Civic Arena. Books are still \$40.

Please contact me if you are interested in taking any advanced courses or have any questions about education.

See enclosed proposed schedule of event dates for 2013. Please attend the General Membership meetings so we can get your input on the dates, especially since we are hoping to come up with at least one new rendezvous location this year.

A special thank you to Bob and Bonnie Krieg for organizing our General Membership locations ... can't wait to see everyone again back at the S.C.S. Country Club. Thanks also goes out to Ron Negrish for organizing Charity Poker dates at Sunnybrook Lanes—please contact Dennis to sign up.

See you soon,
Gary

Here I go tooting my own horn again ... I'm proud to say that St. Clair Shores received the Distinctive Communicator Award again this year, actually twice: once for the Newsletter, and once again for the website. Cheers to us!

Also, don't forget to sign back up for your booster and advertisements. We appreciate and need your support!
... Linda

You are invited!

Hi All,

I want to wish you all a Happy & Safe Holiday & New Year.

It's that time of year again where we need to get ready for the 2013 Detroit Boat Show. The show runs from February 16th through Sunday the 24th. This Show promises to be the Largest Boat Show of all, as they had to rent more space to accommodate all the entrants that applied this year.

Please see the schedule (attached) and let me know what times and dates you would like, and let me know as soon as you can, so we can accommodate everyone.

Thank You,

D/9 Boat Show Chairman

Safety Tips

WATCH YOUR STEP

One of the most frequent causes of accidents, slips and falls cause nearly 12,000 deaths and 300,000 debilitating injuries each year in the U.S. Avoid falling on your boat by following these simple steps.

Watch where you walk

Look down continually so you don't trip over something, such as tools, rope, shoes or a toolbox. When working at night, make sure the area is well-lit.

Wear proper footwear

Make sure boat shoes are in good shape and right for the job. Discard worn-out shoes with smooth soles and other defects. If conditions are wet and slippery, wear non-skid shoes or boots. Avoid leather soles, which have poor traction especially on smooth surfaces.

Use ladders correctly

Never use broken or defective ladders. Set the ladder's angle at the proper 4-to-1 ratio (height-to-width angle). Ensure the ladder is on solid footing and won't move when you climb. When possible, tie your ladder to your boat to improve stability. Never stand on the top two steps of stepladders.

Do's and don'ts

- Do wear shoes with good support—not sandals, high heels or your bare feet.
- Do slow down and use extra caution in bad weather.
- Do get a firm grip on your ladders, rails or handles.
- Do look for obstacles on the ground.
- Don't climb down a ladder with something in your hand. Lay the object down and reach up for it or have someone hand it to you.
- Don't jump from a ladder. You may land on an uneven surface and fall.
