Educational Opportunity

Come Aboard
the Cutter

“Bristol Bay”
25 June 2014

Board 7: 00 PM

Depart 7: 30 PM

Sign up for a 3-hour United States Coast Guard (USCG), United States

Power Squadron (USPS) and United States Coast Guard Auxiliary (USCGAUX) D/9 educational opportunity aboard the 140-ft. Coast Guard Cutter "BRISTOL BAY." The Bristol Bay will also be pushing their Aids to Navigation (floating buoys, fixed aids and ranges) barge. The barge is capable of carrying approximately 250 people. Bring binoculars if you have them, and dress warmly.

The U S Power Squadron, the U S Coast Guard and US Coast Guard Auxiliary are the world's premier marine safety organizations that take great pride in sponsoring this educational opportunity to recreational basic boating students. This will be a unique 3-hour educational opportunity aboard the 140-ft ship and its 130-ft. barge for a total of a 270 foot vessel.

We will be traveling the waters of the Detroit River and Lake St. Clair. We hope this event will provide the basic boating students with a better understanding of the aids to navigation and their light characteristics. An understanding of the aids to navigation is an essential part of safe boating, although covered in the classroom during your course; it is best understood by actually seeing the aids at sea. The timing has been planned so that daytime and evening light characteristics of the aids can be seen. During the entire voyage, a Power Squadron or Coast Guard Auxiliary member and an active duty Coast Guard Officer will provide commentary. You will see and hear about Aids to Navigation and more during our river and lake cruise. You'll have fun and improve your boating safety.

Each Power Squadron and Coast Guard Auxiliary student will be given a chart replica of the river and lake areas we are going to cruise, showing the various navigational aids and their individual characteristics. They will be numbered on the chart and the actual aids and their light characteristics will be identified as we pass them.

We will begin boarding promptly at 7.00 PM at Coast Guard Station Group Detroit. This is at the foot of Mt. Elliott Avenue, right at the Detroit River. We will have personnel there to assist and direct you on parking and boarding procedures. A detailed map of the area will be mailed to you along with your boarding passes. Departure time is 7:30 P M.

CHILDREN: Children who attend the USPS or the USCGAUX Public Boating Courses are welcome to participate in this educational opportunity. However, we must restrict participation by other family members (and friends) to those 12 years of age and older. The Power Squadron and the Coast Guard Auxiliary are family oriented organizations and we sponsor many activities that include children. But, because this cruise requires the concentration of the participants, we have the age restriction. Thanks for understanding.

ABOUT USPS: Formed in 1914, the United States Power Squadrons is the world's largest nonprofit boating organization. Their 60,000 members in the 450 squadrons are boating families who contribute to their communities by promoting safe boating on the water and in the classroom.

All USPS members are volunteers. USPS District 9 is composed of 2,003 members in 22 squadrons. Collectively, these 22 squadrons teach the USPS ABC3 Boating Course to residents of the Lower Peninsula of Michigan and Northern Indiana.

ABOUT USCGAUX: The Coast Guard Auxiliary was created by an Act Of Congress in 1939, as a non-military, civilian affiliate of the Coast Guard, and as such plays a substantial role In the National Safe Boating program. The total Coast Guard Auxiliary family consists of 35,000 volunteers. The District 9 Central region is composed of 10 Divisions, with 56 Flotillas and about 1 500 members.

All of our basic boating students are being invited to join this event and because of this, we u urge you to get your reservations in early.

Fill out the form today and mail it along with your check. We are limited to 250 passengers and expect to fill up fast. First come, first served. If you are among those who enroll too late, your check will be refunded.

Instructions:

Yes, we are interested in joining the USPS and USCGAUX educational opportunity aboard the Coast Guard Cutter "Bristol Bay" on Wednesday June 25th, 2014 and would like to reserve space now. We understand that we will be mailed boarding passes and directions to the Bristol Bay. We understand that if the cruise is canceled because of extremely bad weather we will be contacted **by phone** and the cruise will be rescheduled or our money will be refunded.
