Leading Our  
Squadron Forward

### From The Desk of Cdr Robert L. Krieg, AP

IT'S APRIL and IT'S BOATING TIME

What a crazy winter but we made it and the boats are going in! So put it in the water and see if it floats and if does not, call our Chaplain for a prayer.

Get out our Event Calendar and see what is going on for April – Proctors needed for our Safe Boating Class, General Membership Mtg. with 6:30 dinner at Steve's Backroom, and help is needed for our Fundraiser. Remember we need to keep our bow running straight, so help out and have some fun doing it.

Bonnie and I went to see our son Dan in Hawaii, what a beautiful trip. We took a full day at Pearl Harbor, you need two days. The presentation of it all is something I will never forget. When you leave there you are a different person, standing above the Arizona, it hits your heart. We did take a complete tour of the Battleship Missouri also. This is just an amazing ship, 887 feet long, 108 feet wide, draft 38 feet, speed 32 knots, we stood on top of one of the Boilers, went in the Gun Turrets (too small for me) top to bottom, bow to stern, just amazing.

Warning: The State of Michigan has issued some new 2012 laws for us on the water. We will pass them out at our next GM Meeting or look them up on line and check out the federal laws as well. I heard that Canada has changed some laws also. Read the news and you will know!

**Happy  
Easter**

When you see one of our Military Service Persons past or present put your hand out and thank them!

Cdr Bob

## Executive Department—by Lt/C Bonnie Krieg, AP

Greetings Everyone,

The Squadron is still in need of vessel safety examiners. Now would be a great time to get on line and complete the program.

A couple of the new laws for 2012:

Beginning October 1, 2011, a person under the age of 16 shall not operate a personal watercraft on the waters of this state unless the person is not less than 14 years of age and one of the following circumstances applies:

- The person is riding the personal watercraft with his or her parent or guardian or an individual 21 years of age or older designated by the parent or guardian.
- The person is operating or riding a personal watercraft at a distance of not more than 100 feet from his or her parent or guardian or an individual 21 years of age or older designated by the parent or guardian.

Thanks,  
Bonnie

**Raising awareness of Perinatal Mood Disorders by becoming the first married couple to complete an ultra-marathon swim across Lake Michigan.**

We both suffered from postpartum depression with both of our children. Since PMDs affect nearly 1 in 7 moms and 1 in 10 dads, we know this is big issue in our country. Only recently has it been more recognized and families are starting to get the help they need. We are both passionate about this cause and felt like the time was right to really push it to the forefront in our society.

Sometimes to get noticed, you have to make a statement. This is our statement.

Between now and the event (and beyond), we'll be spreading the word and letting the world learn more about [PMDs](#). You can follow along with us as we journey forward. We'll be teachers and we'll be students. We'll interact, we'll share, and we'll learn.

The bottom line is, we want to help others who are dealing with PMDs. By doing so, we'll help moms and dads be happier, which in turn will raise stronger, more stable and healthier children.

**The swim will help bring attention to this mental illness and offer hope to those in need.**
